- **Diving Board for DPAC – T. Rutecki**
  - Received quote from Recreonics (original supplier of 1m and 3m boards)
    - The 3m pedestal cannot be used for a 1m board/stand due to the distance of the pedestal from the edge of pool deck. A new pedestal would be required. Forwarded to information to staff.

    - *Staff will put in a work request to install high-dive following AK High School State Meet.*
    - M. Mertz – Request T. Rutecki inquire about the life of a board, how frequent to inspect and what to look for. T. Rutecki will inquire and share information with staff.

  - **Corporate Passes** – K. Duncan shared overview a bulk ticketing/day pass concept rather than a corporate pass. Board discussion over The Alaska Club’s desire for a corporate pass.
    - Board requests K. However, we can continue talking about it.

    - *Staff will flesh out an outline the bulk ticketing/pass program and present at next Aquatics Board.*

M. Mertz – Has two things – 1) the open board seat at the end of October after election. Requests board to consider who may be a good replacement for B. Weldon. K. Duncan will send out an Aquatic Annual Membership list to Board members. 2) Asked the board to begin thinking about fee/pass rates for future discussion.
D. White – has seen multiple posts on social media regarding positive feedback from community members whose children have received free day passes to parks and rec facilities and the positive effect on the kids and their families.
