To the City Clerk;

In light of our good friend Jesse Kiehl being elected to the Alaska State Senate, I humbly offer my time and services to complete Jesse's term with the assembly and fill the vacancy. I have been a tireless advocate for our community testifying in public at the state capital on various bills and resolutions that would benefit our community. I have also been active with the assembly. Most recently I testified to the Assembly regarding possible changes to our local mining ordinance, and almost every year I testify to our assembly in favor of full funding to the cap for our schools. I have also spoken personally with our former Mayor Koelsch about homeless issues and possible shelters for displaced Bugman Hotel residents.

I am a grateful beneficiary of Juneau's growth. I have worked at both Kensington and Greens Creek. As a laborer in our local 942, I have done my part on great projects in this town such as the SLAM Project, Brother Hood Bridge expansion, Aurora Harbor rebuild and Last chance Basin water wells. My line of work depends heavily on Juneau's continued growth and I feel my experience will bring a unique point of view to the Assembly.

What I value most and am most proud of is my wife and our four kids they are with me no matter what and I submit this letter of interest with their support and full understanding of the obligations if I do get this position. I know full well I am not as experienced as Jesse Kiehl but I know the importance of a strong and vibrant local government and if I can be of any help to our Assembly in this time of transition I would be honored to fill this vacancy.

Thank you for your consideration. Please feel free to contact me with any questions.

Respectfully,

Martin Stepetin Sr.
