HAND WASHING  CLOTH FACE COVERINGS

SOCIAL DISTANCING  TESTING

DIRECTIONS

STEP 1: Using your hands, mix soap & water until well blended, minimum of 20 seconds. Rinse with hot water.

STEP 2: Carefully cover nose and mouth for continued protection.

STEP 3: For best results, always add 6-10 feet for social distancing.

STEP 4: If something doesn't seem right, test before continuing.

STEP 5: Repeat steps 1 through 4 as needed.

STEP 6: SERVE A HEALTHY COMMUNITY!
